## ODOR ELIMINATOR *for* baby

Babies are little in size, big on odors. Yet what parent wants to spray a chemical into the air after changing a loaded diaper? PureAyre gives you a safe, natural way to get rid of those inevitable baby smells, from poop to spit up.

PureAyre is the only food-grade odor eliminator available, making it the safest and surest way to get rid of smells, even around babies and pets. Because it's all natural, PureAyre's pure, powerful NZ™ enzyme-based technology lets you clean the air of odors without the hazards of chemical products or artificial fragrances.

There's nothing else like it on the market. Period.
